A few words from the Vice President

Hello neighbors,

By now many of you have recovered from the holidays and are headstrong into many New Year’s resolutions. We hope everyone had a wonderful holiday, as it seemed to go on forever due to the timing of Christmas and the New Year. As we are into the winter season here in Whispering Woods, be sure to take some time and look at the beautiful nature that is still with us during the winter. I have seen a number of residents get out for a walk on the tolerable days, which so far have been quite a few. (Now don’t blame me for the next storm!)

Speaking of winter weather, I would ask and remind the residents how things can be around our neighborhood during the winter.

Be sure to clear your sidewalks as you are able to; we have many children getting on and off the buses for school.

Be very mindful of our streets, especially on Forest Crossing (many cars along that narrow stretch park in the street). If you add in snow and ice and speed, be sure to keep your insurance company’s claim number handy as it becomes treacherous to navigate.

If we do have a snow event, remember vehicles parked along the roadway MUST be moved for the plows to do their job. Hopefully our winter won’t be too long as we now are moving into longer days ahead and spring in a couple months.

Our Entertainment Chair just advised us of some dates in July for a party, so work is being

done on that end. This will be something to look forward to.

There are also plans for a number of events at the Whispering Woods Golf Course clubhouse. Rich certainly appreciated the support from residents this past year. It is such a wonderful asset to have right in our backyards and the amount of work to keep it a top-notch facility is endless.

So, for now grab a blanket and hunker down and we will see you in the Spring.

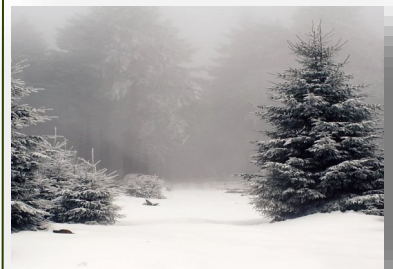

Sincerely,

Mark Zaleski
WW HOA Vice President

Summer Party

Save the date—July 28, 2024. Kayti Stadler, our entertainment chair, is looking to put together a committee for the summer party.

If you are interested, please email her at Kaytistadler@gmail.com or call/text 814-572-7496.

Fallen trees

Many trees have fallen around the golf course area. Rich Rocky wanted to let everyone know that they will be cleaned up, but it may take some time.

Winter Street Reminders

Millcreek Rules state there is no parking on the street during winter snow removal. Vehicles may be towed. The Township will not be responsible for lawn damage if the following precautions are not taken:

- Lawn stakes must be installed by November 1st each year and are permitted through April 15th.
- Yard marker stakes need to be 4 feet tall and placed 1 foot away from the edge of the paved road.

“The problem with winter sports is that - follow me closely here - they generally take place in winter.”

This popular event was cancelled this year due to lack of support. No one volunteered to help out with the planning. This is your neighborhood. Please try and be involved and help out when you can.
