

WHISPERING WOODS

A community like no other in Erie, Pennsylvania

HOA Quarterly Newsletter

(newsletters will be available on our web site and sent by email)

A few words from the President

Hello Neighbors,

I hope your summer is filled with family, friends, and plenty of opportunities to enjoy the beautiful weather.

I want to begin by thanking our Entertainment Chair, Kayti Stadler, for her dedication and commitment to making Whispering Woods such a fun place to live. I'm sure there aren't too many communities that have food trucks stopping in their neighborhood, an annual Summer Picnic and live music at the clubhouse. These events don't just happen, they require a great deal of planning and hard work. The best way our neighborhood can thank Kayti is by taking the time to SHOW UP. Your HOA dues help fund these events and all we ask is that you come out and enjoy them with your neighbors.

We still have several great events coming up this summer: Food Trucks: August 20, Live Music at the Clubhouse: July 31, Neighborhood Summer Party: August 2, from 2:00 to 5:00 p.m. Remember, everything at our Neighborhood Summer Picnic is free! We want to continue offering these events in the future, but attendance is extremely

important. I hope you'll find the time to join us.

If you were unable to attend the Annual HOA Meeting in May, I'd like to update you on a few changes to the HOA Board. Eric Albright has accepted the position of Vice President after serving as our Grounds Chair. To fill the remainder of Eric's term, neighbor Josh Sitter has stepped up to serve as our new Grounds Chair. Thank you, Josh, for volunteering to serve our community.

Our neighborhood is nearly built out, with fewer than five lots remaining. Hopefully, we'll be able to work with Millcreek to have our streets repaved or at the very least, receive a timeline for when that work will take place.

A new sign will be installed at our front entrance and the stones around it have been power washed..

The Board is still collecting photos of different pavilion designs. If you come across one you like, please send me a picture by email.

As your HOA President, along with the rest of the Board, I want to thank all of our neigh-

bors who continue to follow our restrictions and bylaws. Your cooperation helps keep Whispering Woods a wonderful place to live. If you ever have questions or concerns about our restrictions or bylaws, please don't hesitate to contact any member of the Board.

Finally, and most importantly, please watch your speed throughout the neighborhood. The speed limit is 25 mph. If you have new drivers in your family, please make sure they understand and follow the speed limit. Thank you in advance for helping keep our neighborhood safe.

We hope to see everyone at our upcoming neighborhood events!

Thoughts from your neighbors

Please tell people to slow the hell down. There are too many people that think Forest Crossing is a speedway. Also, the STOP SIGNS are not there for decoration. Again, too many people who think they are entitled. Les F.

Little Neighborhood Project Has Finally Come to Life!

Many of you know me as John's wife. Over the past year, while John has been busy golfing, I've been busy creating something very different—a children's book and gift box designed to help grandparents create a special memory with their grandkids.

The gift box includes a signed copy of my book, *Doodles' Picture Day Disaster*, blue lollipops, purple Doodles glasses, a keepsake photo frame, and a few surprises.

The idea is simple:

Read the story together.

Find the hidden blue lollipops.

Everyone gets a blue smile.

Snap a picture before the blue disappears.

It's a fun experience that ends with a keepsake photo and lots of laughs.

If you're looking for a birthday gift, something special for visiting grandchildren, or just a fun activity to do together, I'd love to share it with you.

Because we're neighbors, I'd be happy to deliver it right to your door!

Thank you for all the encouragement so many of you have given me along the way!
