HOA Quarterly Newsletter

## **A few words from the President**

Hello Neighbors,

The most beautiful time of year is upon us. The trees are changing, the early morning chill is refreshing, and, most importantly, it's football season. It's time to enjoy all three!

First, I would like to take a few minutes to look back at the summer events we had here at Whispering Woods. The summer picnic, food trucks, and golf course concerts made it an enjoyable summer. Kayti Stadler deserves a high-five for all of her hard work in making these events happen.

Second, the competition for the best Halloween decorations has started, and it's already in high gear. Please take some time to drive through the neighborhood and let us know which display you like best.

Third, here are a few updates on what the Board has accomplished so far this year: I hope all the dog lovers are happy with the five new dog stations. I know the non-dog

lovers are happy with the cleaner sidewalks!

The new front entrance sign has finally been installed. It took a little longer than expected, but it looks great.

Lastly, we are waiting for final estimates from several contractors for the pavilion in the park. Once we receive all the estimates, we will present our findings and determine whether we can move forward with the project.

We are also ensuring that all mailboxes meet HOA standards. If your mailbox is missing any required parts, you will receive a letter explaining what needs to be corrected and the timeframe for completing the repair. These little things keep our neighborhood looking special.

Homes are selling! At press time, only two homes are for sale in Whispering Woods.

Kayti is planning a holiday party, so stay tuned for more details. As always, volunteers are welcome and greatly appreciated.

Finally, Halloween is at the end of the month. Please drive extra carefully, as there will be many children throughout the neighborhood.

Stay safe,

**John Stefanik**

## **A few Thoughts**

The speed limit in Whispering Woods is 25 mph. Try obeying it. Forest Crossing is not a speedway.

The stop signs are there for a reason. They are not for decoration. Try stopping.

Put your damn phone down while driving.

I realize this doesn't apply to everyone. It only applies to those who think they are entitled. Les F.

## **From the Grumpy old men's club...**

As the leaves fall and the days get shorter, let's all do our part to keep the neighborhood looking nice. Please remember that overgrown lawns, barking dogs, and garbage cans left out for days are not exactly the fall decorations we had

## **Trick or Treat hours**
