

## A few words from the Vice President

Hello fellow Whispering Woods residents. I am filling in for our President, who is on vacation, for the newsletter message. I hope that many of you are fully involved in the summertime activities that are so welcome in this area. We truly deserve the nice weather. I wanted to take this opportunity to mention a few things that were of note. The first thing would be the nice turnout we had for our annual meeting in June. A number of issues were discussed and we hope to move forward with working on them in the coming months.

We really enjoyed the new facility at the golf course and hope that it becomes an integrated part of the neighborhood going forward. Speaking of the new facility, the neighborhood really turned out on June 23<sup>rd</sup> for the first of a number of bands to play this summer. Theory of Evolution played for three hours and the staff at WW Golf Course were completely overwhelmed at the response from the neighborhood. It was a fun time for all in attendance. I was told that their pizza and smoothies sold out very quick-

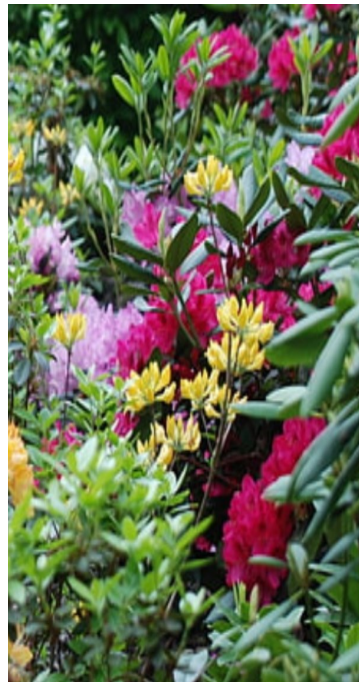

ly! It was nice to see families in attendance supporting the clubhouse and having a nice time as well. If you haven't stopped over, please make it a point to check out the facility and enjoy some of the delicious food specials they will be spotlighting this summer. You can check their website ([whisperingwoodsgc.com](http://whisperingwoodsgc.com)) or call (814.838.9942) if you want to know what they may be featuring that week.

I would also like to thank those volunteers who have stepped up to assist the board with planning activities for our neighborhood. On August 6<sup>th</sup> from 2-6 p.m., a Summer Party has been planned at our park by Entertainment Chair Kayti Stadler. There will be food and fun and the event is family-friendly. Please stop down and get to know your neighbors as we have many new families and would like to welcome them all.

In closing, we want to remind everyone in the neighborhood to watch their speed on our streets as school is out and many children are out and about enjoying their summer vacation. The HOA board would like to wish

all of you a wonderful summer before the kids head back to school and we all start raking and blowing leaves!!! I won't mention what is after that! As always, if anyone has any issues please use our website ([whisperingwoodserie.com](http://whisperingwoodserie.com)) to submit any questions or concerns.

**Mark Zaleski**  
Vice President

## **Thoughts from your neighbors**

- To the people who own dogs that constantly bark, are you deaf or just that inconsiderate to your neighbors?
- The speed **LIMIT** is 25. Slow down!
- The new flags put up by the HOA look great!
- Mow your lawn when it needs to be mowed. Have some pride in our neighborhood.
- PLEASE trim the branches of any trees near your sidewalk.
- Stop signs are meant to be obeyed. Cars should stop even if no traffic is present. You can get a ticket for slow rolling through a STOP sign.
- PLEASE respect your neighbors and keep your outside music down to a level that won't bother them.

This section is comprised of email suggestions received from members of the Whispering Woods Community.

If you'd like to submit an item for the next newsletter, please email us:

## **WW HOA Directory and email info**

The directory remains a work-in-progress. Many of you have submitted information for the Whispering Woods Directory. Thank you!

But, many have not. In order to receive email updates and future newsletters, please submit your information for the Whispering Woods Directory. The directory is confidential and intended for internal use only. It will not be shared or sold to any other entities. If you prefer not to have your information listed in the directory, you can still provide us with an email address so that your family can be informed on community events and issues. Please submit only **one form** per household and include: name(s), address, phone, email(s). [Click HERE to provide directory info.](#)
