

A few words from the President

Hello Neighbors,

The days get shorter, the weather a bit colder and leaves are falling like snowflakes. This reminds us that fall has certainly arrived.

First, I would like to thank Kayti Stadler for all her hard work putting the summer picnic together, as well as the adult party at the Whispering Woods Golf Course Club House (photos from both events may be viewed on pages 2/3). Thanks Kayti, I know these events are not easy to do.

The Board has a meeting scheduled for October 26th, so if you have any questions or concerns, please feel

free to reach out to any one of the Board Members (email addresses listed on page 4).

Everything is going well throughout the neighborhood with just a few issues.

1. Our streets are tight, please park in your driveways and be sure your visitors are not blocking a neighbor's driveway.
2. Please watch your speed. We continue to get complaints about this.

We have Halloween coming up this month and neighbors are doing an outstanding job with decorations. Kids will be so excited, so again, please watch your speed and be

extra careful when driving during Trick or Treat festivities.

Thanks to all neighbors for doing your part making Whispering Woods a great neighborhood to live in.

Sincerely,

John Stefanik
WW HOA President

Trick or Treat hours

Tuesday, October 31, 6-8:00 p.m.

VNet Fiber

Please sign up to show interest in getting VNet Fiber in Whispering Woods as an additional ISP option.

The cost is lower and speeds are roughly 25x faster for uploading files, videos, pictures or for better quality while on FaceTime or in meetings. Fiber is generally more consistent and reliable versus Spectrum.

Thoughts from your neighbors

- Snow is just around the corner...please remember to clear your sidewalk.
- Those who drive luxurious cars tend to behave the worse. You don't own the road. Slow down.
- PLEASE trim the branches of any trees near your sidewalk.

This section is comprised of email suggestions received from members of the Whispering Woods Community.

New Solar Fountain

Thanks to Dave Brogdon for ordering and installing a solar powered fountain in the retaining pond on Stone Creek. Several years ago there was a fountain in the pond and we now have a replacement.

Some benefits of a fountain:

- Provides adequate water aeration.
- Keeps water circulating.
- Reduces sediment and algae.
- Limits mosquito activity.
